9 Biblical Principles
WE USED TO RAISE OUR CHILDREN

1 **Love their Dad.**
Grace-filled mothering flourishes in a grace-filled marriage.

2 **Define your priorities**. *Make your life an example.*
Not just, "Do what I say," but "Become who I am."

3 *Help them* **believe the Bible absolutely** *and*
love the church wholeheartedly.

4 **Be careful** *not to crush your child through* **physical or verbal intimidation** *while still embracing the* **wisdom of Scripture**.

5 *Teach* **respect** *for other* **people** *and* **property** *as well as teaching* **self-control**.

6 **Require obedience**.
Follow through on making your children obey you.

7 *Give* **many rewards**.
"Good & pleasure" go together just as surely as "sin & pain" do.

8 *Teach them to* **embrace hard work**.
Children learn their work ethic at home.

9 **Pray, pray, pray, pray** *and then* **pray** *some more.*
